

Smuggler Strata 780 SS

INFORMATION

The Smuggler Strata 780 SS brings an exciting new concept to the Smuggler range. With access to the forward lounge area from a walk through bow, twin consoles and a low sporty profile, the 780 SS is suitable as a tender, a day boat, or fishing and diving companion. Many options are available including inboard, outboard, twin engines, as well as all the accessories you want. With the iconic Smuggler 27 degree hull, this is the best riding fun you can have on the water.

Thrills come standard!
